Most Important Herb Society News – *make your support go further*

The Society has established with HM Revenue and Customs, that Gift Aid can be applied (where appropriate) to Member's Subscriptions received since 6th April 2004. This will have a dramatic effect on finances, which in turn, will assist in securing the Society's future as an independent organisation as well as being able to maintain the quality and frequency of its publications and services to members.

You will probably have heard of Gift Aid before, but in simple, practical terms it means that if we receive a subscription of £25 from you and you are a UK taxpayer then we can claim a further £7 from HM Revenue and Customs.

There is no extra cost to members whatsoever. I do hope you agree that this is a fantastic opportunity to be taken advantage of by your Society and if so please complete and return the attached pre-paid declaration card as a matter of urgency.

If you have any concerns or would like further clarification regarding this matter please contact me at the Herb Society office or by email at the above address.

I confirm that I am a UK taxpayer and pay an amount of income tax or capital gains tax at least equal to the tax to be reclaimed on my donations/subscriptions.
